A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By
4-402.12	Install 6 inch legs on the white upright freezer so that it is up off of the ground. Another option is to provide wheels for the unit so that it may be moved so the floor underneath it may be easily cleaned and maintained.	8/15/2008
4-601.11	There is grease accumulation on the sides of the grill and other cooking equipment stored underneath the hood. Clean and maintain clean all equipment at all times.	8/15/2008
6-501.111	There are mice droppings present in the SE corner of the kitchen area near the white, upright freezer. Clean up the mice droppings and sanitize the area. Continue to monitor the floor and the kitchen and provide effective pest control methods to eliminate all pests.	8/1/2008
